英語

I. 次の英文を読んで、後の設問に答えなさい。

Ellie was [A] and bored. There was no school for weeks *as it was the summer holiday. *Mum and dad had to go to work so she stayed at home alone. She watched television, then she played a game on her computer. She looked at the clock. It was only 11am. Mum and dad would not be home until 7pm. (1)She sent a message on her *mobile phone to her friends 〈 あ 〉 they did not answer.

It was hot in the house. She looked out the window onto the street. There was no one in the street. Some people *had gone away to the *seaside for a holiday but not everyone. She left the house and walked down the street. (2)She did not know where she was going but it was better than sitting in the hot house. She walked past some *waste-ground. There *used to be houses there but now it was just empty land. (a)It was *a place where people left their broken washing machines, cars and *baby prams.

Something was running about on the waste-ground. It was a small animal, a puppy. She followed it. The puppy was very pretty, *plump, with shiny *fur and big brown eyes. It looked like *a lion cub. She loved it.

“Come here Lenny.” She held out her hand. The puppy stopped but looked afraid. She *stroked his fur. He stood *still. He seemed a little afraid but *let her pick him up. She carried him home. Lenny looked hungry 〈 い 〉 she gave him cold meat which she found in the fridge and some milk. He ate it all.

(3)Mum and dad were not so happy about Lenny.

“Where does he come from?”

“He *might *bite the furniture!”

(4)お母さんは付け加えて言ったが、エリーが泣き出すのを見て、それ以上は何も言わなかった。

“He can be my friend and *keep me company when you are at work.”

(5)Mum and Dad nodded. They knew Ellie was lonely sometimes.

Lenny changed Ellie's life. (b)They ate, played, watched TV together and Lenny even slept in his dog basket in Ellie's room.

Then suddenly one day, when she and Lenny were walking in the street, a young girl ran up to them.

“Pinky!”

(6)Lenny ran towards the girl and was very excited.

“Oh, I've been searching for you everywhere!”

Ellie stood and watched. Lenny seemed to like the girl as much as (c)her.

“Pinky was in the garden but went through the fence and *must have got lost! I have been so sad 〈 う 〉 I lost him!”

Ellie felt sad now. Lenny was her best friend but he belonged to the girl not her.

“I'm Laura. Pinky looks so fat and happy. Thank you so much for (7)looking after him. He was lucky to find a kind friend like you.”

(8) [ア. to / イ. sad / ウ. Ellie / エ. speak / オ. too / カ. felt].

“Come with us. Let's go and have an ice-cream in the park and play with Pinky. I think us three are going to be good friends and have a lovely summer together.”

Ellie did *not feel so sad anymore. She *had not lost her friend Pinky but found another friend Laura.

(9) This summer holiday was going to be really great!
